

V-Tech's Modern Slavery Statement

Company Information

Guangzhou Video-Tech was founded in 1999 to specialize in the R&D, production and sale of video door phones, we concentrate on developing unique system with V-TECH characters, and after experiencing a rapidly rising in past ten years, Video-Tech has established many distributor branches all over the world, and we are gradually becoming one of the most popular brand for door-entry system.

Video-Tech persists in two principles of Technology-based and Management priorities, we not only use Enterprise Resource Planning System (ERP) to improve efficiency of resource utilization, but also apply Office Automation (OA) to complete best communications.

We conduct four steps of quality control, from raw materials inspections, sample inspections, finished product tests and piece-by-piece checks before delivery.

Our Primary Advantages

- Strong independent innovation ability facilitates OEM & ODM services.
- Humanized and compact oriented design makes installer's job easier.
- Products with Powerful flexibility and compatibility, greatly conveniences customers to combine and expand their systems at will.

With a team of 30 design engineers with up to eight years of experience, it makes Video-Tech on the leading edge of technology, Video-tech sticks to adhere to independent innovation for new products, and keep upgrading our products by unique software and attractive appearances to meet kinds of requests from customers.

Video-Tech has obtained the approval of CE (EMC, LVD), FCC, REACH, ROHS, all products are manufactured by strict quality control standard.

Modern Slavery Statement

We strictly adhere to the *Anti Modern Slavery and Human Trafficking Policy*. We will supervise and strive to improve our established system to ensure that modern slavery does not exist in our business, and to ensure that no one who has business dealings with us benefits from or contributes in any way to the phenomenon of modern slavery.

Adhering to corporate social responsibility has always been the goal and belief of our company, and we firmly believe that this can ensure the establishment of good and long-term business relationships with customers.

This statement is intended to declare to our employees, suppliers, providers, and other business partners that our company will never allow any business activities that constitute human trafficking or slavery. We promise to implement a zero tolerance policy towards human trafficking and slavery in our business.
